

Regional District 13  
Policy Committee

October 7, 2008

Present: Mr. Hicks, Mrs. Golschneider, Mr. Currin, Mrs. Viccaro

Employee use of District's computer system: Examined Shipman and Goodwin's suggestion. It was more succinct, references statutes. Rosemary will email policy to all Board members.

Legislative Updates: guidelines for in-school and out of school suspension – the committee will ultimately review.

Full Policy Review: discussion of updating policy manual. Shipman & Goodwin policy service is \$2,500. Discussion of policy manual in PDF format and make it web-based. Policy committee is interested in pursuing an overhaul. Susan will investigate other districts that have policy manual on line.

National Honor Society: Committee agrees without need for Board approval to remove language regarding scholarship criteria for National Honor Society. Current language in our CRHS handbook clearly violates National Honor Society handbook wording.

RECV'D: Office of the Town Clerk
