Review Changes to the Administrators' Contract

Mrs. Flanagan said that the administrators' contract could be opened for insurance purposes based on the HDHP being accepted by the teachers. While open, we looked at the pay scale for the administrators. There were increases in each of the years with no step movement in years 2 and 3. With the freeze there are only 3 administrators at the bottom of our 2-tier group. This is also part of the problem with hiring a new principal for the high school. We would like to have an increase in salary of 4% in step 5 with full participation in the HDHP insurance. We also need to move one principal up a step to align with the years of experience. The total cost to do this is just under \$50,000 and will be absorbed in this budget. We are not aggressive in our salaries.

Dr. Veronesi said that this also affects retaining, not just attracting.

Motion to approve the Administrators' Contract as presented made by Mr. Hicks, second by Mr. Renninghoff. Vote in favor: Mr. Hicks, Mr. Renninghoff, Mrs. Flanagan, Dr. Onofreo, Mrs. Adams, Mrs. Buckheit, Dr. Friedrich, Mrs. Boyle. Vote against: Mr. Fulton
