

REVC'D: Office of the Town Clerk August 18, 2015 12:38pm

Minutes for August 4, 2015: Durham Public Library Activity Room at 7:00 PM

Attendees: Sue Michael, Sheehan Michael, David Heer, Ron Capozzi, Paul Griese, Jen Huddleston

- 1. Electric Car Charging Station:** Rick Hanley sent a message that we would not be able to submit an application for the State of CT's incentive program for electric car charging stations at this time. He said that he would monitor the program for the next opportunity. Tom added that we continue to look for other options as well.
- 2. Durham Fair Composting:** Sue asked that we dedicate our September meeting to the organization and planning of the composting effort for the Durham Fair. The group agreed to help Sue in any way that it can.
- 3. Bike-Ped Plan:** Sheehan stated that he would like to work on the Bike-Ped Plan for Durham. Jen mentioned that some interesting events are happening in Middlefield and offered to invite our group. Tom agreed to forward some contacts for other local bike-ped organizations.
- 4. Municipal Assistance Program:** Tom mentioned that Eversource's consultant from ICI, Marianne Graham is working with Durham's Town Hall staff to complete a binder of information which would qualify Durham for reward points that could lead to grant money.
- 5. Miscellaneous Business:** Sue mentioned that our group should work with the Town Hall staff to make sure that our membership list is accurate and current.
