mrpa@snet.net

## **NOTICE OF MEETING**

THURSDAY, DECEMBER 1, 2011

9:00 a.m.

MIDDLETOWN COUNCIL CHAMBERS

CITY HALL, 1<sup>ST</sup> FLOOR

245 DEKOVEN DRIVE

You are cordially invited to participate in a discussion on the current status of our natural hazard mitigation plans. We will review the history of the development of the plans, where we are now and where FEMA wants us to go with a regional plan. This will give us an opportunity to update our vulnerability lists before the final submission.

Please plan on attending this meeting to be updated and comment on the final submission.
